

After much consideration, we have decided to unite our Jocelyn and Lonen labels into one solid brand. Our goal is to simplify the Jocelyn Lonen story and bring our winemaking and marketing efforts together under one strong identity and brand.

Jocelyn Lonen, with a new logo and label, will be used on all of our wines beginning with 2005 Chardonnay, 2004 Cabernet Sauvignon and Port. We thank you for your support and assistance as we continue on this next phase of our journey.
